

# Alex Taylor

## Games Artist

Dedicated worker specialising in environment art, level design and lighting.

Currently a third year Games Art student at Hertfordshire University. Understands the importance of working well as a team and creating a positive working atmosphere.

Beginner Ukulele player. Also love life drawing and attend sessions whenever possible. I put a lot of time into researching and analysing video games. I'm addicted to dance dance revolution, and I've self-published a children's book.
